

ALIREZA MIRSHEKARI

Registered Engineer Architect | BIM Specialist | Spatial Planner
L. Based in Antwerp, Belgium E. alireza.mirshekari@gmail.com

SUMMARY

Architect & BIM Specialist with several years of multidisciplinary experience in design coordination, BIM implementation, and on-site construction supervision. Holding a Master's degree in Architectural Engineering and a recent Master's in Urbanism, Landscape, and Planning from KU Leuven, I combine strong technical expertise with a broad understanding of spatial and environmental design.

Currently involved in projects focusing on blue-green urban landscapes, integrating architecture, engineering, and digital technologies to support sustainable design solutions. Certified at B1 level in Dutch, with ongoing progress toward fluency. Passionate about leveraging BIM and data-driven methodologies to enhance collaboration, efficiency, and quality across all project stages.

CAREER HISTORY

PROJECT ARCHITECT - *Feb 2020 - Jun 2023*

AMA | Design + Build Firm

Led design and construction engineering on three 4-story residential projects while contributing to eight+ design projects across various typologies. Implemented BIM-driven workflows to improve coordination, support cost estimation, and guide projects through the full asset lifecycle.

- Highlights:**
- Managed delivery teams (6 of 12 staff) and coordinated project activities
 - Implemented BIM workflows for cost estimation, quantity take-offs, and precise procurement
 - Analyzed BIM data to optimize planning, identify conflicts, and improve efficiency

Project:  [Portfolio Chapter 2 – 31# A Private Hook](#)

INTERMEDIATE ARCHITECT - *Dec 2016 – May 2019*

Paramadan Consulting Engineers

Started as an Architectural Intern and promoted to Intermediate Architect, contributing throughout all phases of design and documentation.

- Highlights:**
- Contributed to design development and technical drawings
 - Created visual presentations and 3D renderings
 - Ensured code compliance and supported team coordination

AUTHORIZATIONS

CONSTRUCTION SUPERVISION LICENSE – Grade II

Issued by the Iran Construction Engineering Organization (IRCEO) - *Feb 2017*

- Authorized to supervise buildings up to 7 stories or 5,000 m²; chosen for ~8 projects/year
- Key Responsibilities:**
- Design Compliance
 - Health and Safety Support
 - Quality Control and Coordination
 - Progress Monitoring/reporting

ARCHITECTURE DESIGN LICENSE – Grade II

Issued by IRCEO - *Nov 2016*

- Authorized to design buildings up to 5 stories and/or 2,000 m².

EDUCATION

M.SC. URBANISM, LANDSCAPE, and PLANNING - *Jun 2025*

KU Leuven

M.SC. ARCHITECTURAL ENGINEERING - *Jun 2015*

Shiraz University

B.SC. ARCHITECTURAL TECHNOLOGY ENGINEERING - *Jun 2013*

IAU University

BIM EXPERTISE

STANDARDS:	ISO 19650, and NBIMS-USTM v4
AUTHORING:	Revit (Architecture and Structure modeling)
REVIEWING:	Navisworks (Federated model coordination, 4D simulation)
AUTOMATION:	Dynamo (Scripting)
COLLABORATION:	Autodesk Construction Cloud (ACC)
DATA ANALYSIS:	Power BI (BIM data visualization and reporting)

SOFTWARES

DESIGN and MODELING:	Revit, AutoCAD, SketchUp, V-Ray
GIS and PLANNING:	QGIS, MS Project
GRAPHIC and MEDIA:	Photoshop, Illustrator, InDesign, Premiere Pro
OFFICE and PRODUCTIVITY:	Microsoft Office (Word, Excel, PowerPoint)

LANGUAGES

PERSIAN:	Native
ENGLISH:	Fluent – IELTS Certified
DUTCH:	B1 (Course Level 2.2), Certified by CLT

MORE INFORMATION

- Valid EU Driver's License – Category B
- Available for long-term collaboration
- Eligible to work in Belgium
